

2nd Grade Non-Adopted Book List

Dear Parents/Guardians:

In accordance with HB 989, Instructional Materials, we are making available to you lists of assigned non-adopted books. Selections from the list below may be assigned to *second* grade students during this school year. By making this list available, you will have the opportunity to peruse the books if you wish. Should your child be assigned any book about which you might have a concern, an alternative assignment would be provided for him/or.

Please understand this is not to be confused with a suggested summer reading list for your child. We hope you will wait to let him/her read any of the books that might be assigned with his/her class. We also hope that you will find the list informative.
