

The Institute for  
Public Procurement

Generate greater value and enhance the buyer/supplier relationship

### Supplier Partner

We know how to buy goods and services to solve state and local government procurement challenges. That's why NIGP offers a Supplier Partner program that provides a supplier community to learn the ins and outs of public procurement.

### Course Benefits

- Learn a procurement process
- Understand the nuances of public procurement
- Gain a competitive advantage with community

### NIGP Member

Do you often wish your supplier partners knew the best ways to do business with you? As a NIGP member, you can help them find the best ways for your agency.

Member benefits include access to NIGP courses, it leads to better procurement
