

Superintendent  
Mark Viorio

School Board  
Chairman  
Vice-Chairman  
Kim Amonte  
Andy Atkins  
Bob Segal

March 20

initiated by the Department of Technologies, Information Systems, and Telecommunications, 9200 Lenoir Blvd., Suite 202A, Charlotte, NC 28215. For more information, please contact the Director of Information Systems at (704) 366-4444.

For your consideration, we have prepared a proposal for the purchase of 1000 units of the same model as the units currently in use. The units are being purchased for the same purpose as the units currently in use. We would appreciate your decision on this matter. Please fax your response to the following fax number: (704) 366-4444. If you have any questions, please contact the Director of Information Systems at (704) 366-4444.

renewal of the contract for the purchase of 1000 units of the same model as the units currently in use. The units are being purchased for the same purpose as the units currently in use. We would appreciate your decision on this matter. Please fax your response to the following fax number: (704) 366-4444. If you have any questions, please contact the Director of Information Systems at (704) 366-4444.
