Sole Source 22/23-WW Woz Ed STEAM

Opened: March 17, 2023

The District will recognize Woz ED STEAM as the Sole Source for the products identified on attached Sole Source letter, as a result of no contests being submitted during this Sole Source. This Sole Source was broadcast nationwide to over 1400 organizations.

We will continue to recognize this for 1 year, at which time we will again verify this claim and post another Sole Source for those who may wish to challenge.

Effective dates of this Sole Source are from March

Statement of Sole Source

Woz ED, LLC designed and produced the STEAM Modules principle and process. These resources were developed to include job-embedded professional development for teachers who do not have extensive science and mathematics backgrounds. The job-embedded training and compiled resources are available exclusively from Woz ED

complete the lessons included. Woz ED's proprietary lesson model and training design is the only one in the industry proven to prepare a teacher who has little or no technological subject matter expertise to successfully facilitate the lessons after just two hours of professional development. The lessons are the result of a decade of extensive beta testing and analysis in actual classrooms across the US. The classroom
